

NEWARK CITIZENS COMMITTEE FOR
BETTER SCHOOLS AND EDUCATION
58 BARCLAY STREET, NEWARK, N.J.

SEPT. 25, 1960

Dear Friend,

Dr. Edward F. Kennelly, Supt. of schools, reported that there are 62,403 students enrolled in the Newark public schools showing an increase of 1,620 over last year (Sunday Newark News, Sept. 18, 1960).

In the absence of new school construction this has led to an increase in class size, additional part-time classes, plus the introduction of part-time classes in Madison Ave. School. In light of this situation, the Newark Citizens Committee For Better Schools and Education decided at its last meeting to address Dr. Kennelly and the Board of Education on Tuesday, Sept. 27th. on the split-session situation and our proposals for its elimination. YOU WILL NOT WANT TO MISS HEARING THE FIRST PRESENTATION OF OUR COMMITTEE TO THIS BODY. ---8 P.M. Tues. Sept. 27th., 31 Green Street, Nwk.

Our second monthly meeting of the school year will be held at the home of Mrs. MARTIN, 324 MEEKER AVE,
WEDNESDAY, OCT. 5, 1960 - 8 P.M.

Included on the proposed agenda will be the following:

1. Report from members and friends on existing school conditions.
2. Report on the above mentioned Board of Education Meeting.
3. Developing a program of goals and actions for coming year.
4. Progress report on our QUESTIONNAIRE ON THE PUBLIC SCHOOLS.
5. Solving some organizational problems we face.

Looking forward to seeing you at BOTH meetings.

Sincerely,

Marion Robinson
